

# CITY OF HIGHLAND HAVEN

## RESOLUTION # 232

**A resolution recognizing the many and extraordinary contributions of Edward Curtis Fry to the City of Highland Haven and to name the Dry Creek Crossing in his honor.**

**Whereas,** Curtis Fry lead the design and construction of the city drainage system.

**Whereas,** Curtis Fry served on the initial Board of Aldermen after Highland Haven was incorporated as a city in 1995.

**Whereas,** Curtis Fry has served several terms on the Board of Directors of the Highland Haven Property Owners Association.

**Whereas,** Curtis Fry designed and supervised the construction of the Community Center and City Hall parking lots.

**Whereas,** Curtis Fry designed and supervised the construction of the Blackbird – Redbird – Highland Drive drainage system.

**Whereas,** Curtis Fry designed and supervised the construction of the Highland Drive drainage system.

**Whereas,** Curtis Fry was a significant contributor to the construction of one of the first Highland Haven drain systems on East Heron Drive.

**Whereas,** Curtis Fry designed the just completed Dry Creek Crossing.

**Whereas,** Curtis Fry was instrumental in the preparation of the FEMA grant request that funded the new Dry Creek crossing.

**Whereas,** Curtis Fry designed and supervised the construction of the Eagle Road – Crane Drain project.

**Whereas,** Curtis Fry lead the extensive and exhaustive elevation survey of the entire city that is the basis for the FEMA drain project design.

**Whereas,** Curtis Fry's volunteer survey team has contributed \$44,500 in-kind funding for the FEMA drain project.

**Whereas,** Curtis Fry was instrumental in the preparation of the successful FEMA Drain Project grant request.

**Whereas,** Curtis Fry surveyed the city parks supporting the placement of park corner markers.

**Whereas**, Curtis Fry has helped many city property owners in multi-purpose lot surveys especially in support of individual flood control projects.

**Whereas**, Curtis Fry has served as City Engineer since 2004.

**Whereas**, Curtis Fry was instrumental in the engineering supporting the Joint Committee activities which provided water front deeded property to open water and canal property owners.

**BE IT THEREFORE RESOLVED**, that the Board of Aldermen of the City of Highland Haven, Texas hereby designates that the Dry Creek low water crossing bridge be named and forever be known as the “Curtis Fry Crossing”.

**PASSED AND APPROVED BY THE BOARD OF ALDERMEN OF THE CITY OF HIGHLAND HAVEN, TEXAS ON THIS THE 18th DAY OF August 2009.**
